Orchard Mall seeing growth

In the first half of this year, five new businesses have opened up shop in the 37-year-old Orchard Mall: Maria's Bridal Couture, Nancy's Linens, Frameable Faces Photography, LaFata Cabinets and Top Driver. Orchard Mall will welcome and celebrate its newest occupants from noon-3 p.m. Saturday, May 30, with a free grand opening event in the center court featuring live music, refreshments and fun activities. Located at Maple and Orchard Lake roads in the heart of West Bloomfield Township, Orchard Mall hosts regular mall-wide promotions and events connecting consumers and retailers.
